Northeast BC Crime Stoppers

How does it work?

The concepts are simple. Crime Stoppers will pay cash rewards to callers who provide information about a crime which leads to the arrest of the individual(s) responsible for that crime, recovery of stolen property or the seizure of illegal drugs.

- Callers remain anonymous.
- Calls are answered out of town by trained civilian operators.
- Crime Stoppers does not subscribe to Call Display.
- Each caller is given a confidential code number for identification.
- Calls back are encouraged to 787-8477, using your code number, for an update on the investigation, or if a reward is forthcoming.

Rewards of up to \$2,000.00 are available based on the seriousness of the offence, information provided and the results obtained.

**CRIME DOESN'T PAY,
CRIME STOPPERS DOES!**

Who is Crime Stoppers?

Crime Stoppers is composed of three main groups: volunteer Civilian Board members, the media, and the RCMP and other law enforcement agencies.

All three make it work:

- **Civilian board administers the program and raises funds.**
- **Media create awareness and promote the program.**
- **Law enforcement agencies investigate the TIPS.**
- **Civilian Board is not privy to specific details** but is given enough information on the investigation to make an informed decision as to the reward amount.

Serving: Chetwynd, Dawson Creek, Fort St. John, Fort Nelson (Northern Rockies Regional Municipality, Hudson's Hope, Tumbler Ridge & surrounding rural communities.
